(ग) और (घ) सभी मुख्य कार्यक्रमों की समय-समय पर समीक्षा, विश्लेषण और प्रबोधन/मूल्यांकन किया जाता है और उनमें अपेक्षित सुधार किया जाता है।

Report of the committee set up to explore the means of additional Resources

748. SHRI H. HANUMANTHAPPA : Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to refer to the answer to Starred Question 93 given in Rajya Sabha on the 30th April, 1993 and the state :

(a) by when the committee set up to explore the means of finding additional resources for Central

Universities is likely to submit its report ; and

(b) what are the terms of reference of this Committee ?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPTT. OF EUCATION AND DEPTT. OF CULTURE) (KM. SELJA) : (a) According to the information furnished by UGC, the tenure of the UGC High-Powered Committee headed by Justice K. Punnayya on financing of Centrally funded institutions is upto September, 1993, and the Committee is expected to submit its report by that time.

(b) The terms of reference of the UGC High-Powered Committee are as under :

1. To examine the present policy, norms and the pattern of providing development and maintenance grants to central Universities, Deemed Universities, Delhi Colleges and Technical institutions from the University Grants Commission/Ministry of Human Resource Development and to suggest policies and norms for determining grants in furure.

2. To examine the inter-university variations in development and maintenance grants (per student, per department, and any other relevant criterion) with a view to develop objective parameters governing such grants.

3. To examine the pattern of utilisation of the grants.

4. To examine the pattern of allocation of grants between teaching, research and non-teaching functions and to suggest norms relating to expenditure on the above functions.

5. To examine the feasibility of developing norms for individual items of expenditure under the development and maintenance grants and, to suggest such norms and specifically, to examine whether students/research students strength should be related to faculty strength and the strength of non-teaching employees or any other criteria in this regard

6. To consider the extent to which flexibility should be available to the institutions for increasing or decreasing expenditure on the individual items under the maintenance grants.

7. To explore and recommend ways of improving overall cost efficiency of the institutions.

8. To study the extent to which the institutions are raising their own resources, and to suggest specific measures for augmenting the proportion of resource raising by the institutions.

9. To recommend incentives to institutions that raise a higher proporation of internal resources and to develop norms for utilisation of internally generated resources.

10. To review existing scheme of financial assistance for needy students such as free studentship, scholarships, students loans and to recommend measures for initiating such a scheme with a view to assisting students from disadvantaged sections of the community, and promoting equity in higher education.

11. To consider any other item ancilliary to the above which the committee may consider relevant.

Condition of Polytechnics

749 SHRI S. AUSTIN: Will the Minister of HUMAN RESOURCE DEVELOPMEGT be pleased to state:

(a) whether according to some education experts, technical educa-
